

Ref.No.:GU/DRDRM/ Press Note/10943/2025/510

Dated: 29 /10/2025

PRESS NOTE

Project Assistant Position

Applications are invited from the eligible candidates on plain paper for one post of Project Assistant to work on the project entitled 'Developing lead-free non-centric and chiral halide perovskite/PVDF composite films as an efficient piezoelectric energy harvester for flexible biomechanical sensors and prototype devices' sponsored by **Goa State Research Foundation (GSRF)**, to carry out research at Physics, School of Physical and Applied Sciences, Goa University.

Principle Investigator: Dr. Venkatesha R. Hathwar

Discipline/School: Physics, School of Physical and Applied Sciences (SPAS)

Position: Project Assistant

No. of positions: 01

Duration of a project: 01 year (may be extended up to three years or termination of the project, whichever is earlier)

Essential qualification: Master's degree in Physics with minimum 55% marks. NET/SET qualified candidates will be given preference.

Desirable: Experience in experimental physics, Materials synthesis, XRD and Crystallography

Monthly Emoluments: Rs. 20,000/- consolidated.

Age limit: Not more than 35years

Interested candidates may send their application (along with photocopies of all mark lists/relevant certificates) to the email: vhathwar@unigoa.ac.in or submit to the Office of SPAS, Goa University on or before **12/11/2025**. Shortlisted candidates will be called for an interview on **14/11/2025** at the School of Physical and Applied Sciences (SPAS), Goa University.

No TA/DA will be paid to the candidates appearing for the interview.

(Prof. S. N. Dhuri)
