**Report on**  
**Seminar on “Laboratory Tests in**  
**Haematology & Hepatological Disorders”**

1. Title of the Event/Activity/program	Seminar on “Laboratory Tests in Haematology & Hepatological Disorders”
2. Date and Time	16th September 2025, 10:30 AM onwards
3. Mode of conduct (Physical/Online)	Physical (Offline)
4. School/ Directorate/ Section	Zoology Discipline, School of Biological Sciences and Biotechnology (SBSB), Goa University
5. Collaborating Agency/School/Directorate	N/A
6. Detail of the Resource Person (Brief biodata)	Dr. R. G. Wiseman Pinto, Former Head, Department of Pathology, Goa Medical College Dr. Pinto is a renowned academician and clinician with vast expertise in hematopathology, medical diagnostics, and clinical pathology. He has decades of experience in teaching and research in medical pathology and has been instrumental in mentoring postgraduates and medical professionals in Goa.
7. Number of Faculty attended/participated	06
8. Number of Student attended / participated	103 (M. Sc. Zoology + PGDCG&MLT + Research Scholars)
9. No. of external students/faculty/other participants	Nil
10. The objectives of the Program/activity/event	The seminar aimed to provide students and faculty members with an in-depth understanding of the laboratory diagnosis of blood and liver-related disorders. It intended to bridge theoretical knowledge with practical clinical applications in hematology and hepatology,

	enhancing diagnostic acumen and laboratory relevance for students pursuing medical laboratory sciences and zoology.
<b>11. Description of the Program/activity/event</b>	The seminar, held on 16th September 2025 at SBSB Seminar Hall, Goa University, featured a talk by Dr. R. G. Wiseman Pinto, who delivered an engaging lecture on essential hematological and hepatological diagnostic tests. Topics included interpretation of routine and advanced laboratory markers, diagnostic patterns in liver and blood disorders, and integration of clinical cases with laboratory results. The session was interactive, with active participation from postgraduate students and faculty. The seminar was coordinated by Dr. Shanti N. Dessai and supported by members of the Zoology Discipline under the guidance of the Dean and Vice-Deans of SBSB.
<b>12. Benefit/Key outcomes of the Program/activity/event</b>	<ol style="list-style-type: none"> <li>1. Students gained clarity on the clinical utility of hematological and liver function tests.</li> <li>2. Real-life case studies discussed during the seminar provided applied learning opportunities.</li> <li>3. Encouraged interdisciplinary learning between clinical pathology and zoological sciences.</li> <li>4. Helped build diagnostic insight among PGDCG &amp; MLT students for clinical lab roles.</li> <li>5. Strengthened linkages between university academia and clinical experts.</li> </ol>
<b>13. Enclosures with report</b>	Brochure, Notice, Geo-tag photos, Attendance of students/faculty, Detailed report.

## Laboratory Tests in Haematology & Hepatological Disorders

### Guest Speaker:

Dr. R. G. Wiseman Pinto

*Former Head, Department of Pathology*

*Goa Medical College*

Renowned Expert in Hematopathology &

Diagnostic Medicine

Date: 16<sup>th</sup> September 2025

Time: 10:30 am

Venue: Seminar Hall, SBSB, Goa University

### Who Should Attend?

M.Sc. Zoology Students

PGDCG & MLT Students

Research Scholars

Faculty Members

Students of Clinical Genetics and Laboratory Sciences

### Seminar Highlights:

Key laboratory tests for diagnosing blood and liver disorders

Interpretation of hematological & hepatological parameters

Case-based discussion of clinical relevance

Interaction with a senior medical expert

### Organizing Committee

#### School of Biological Science & Biotechnology

##### Convenor

Prof. S. Krishnan, Dean-SBSB

##### Co-Convenors

Prof. S. C. Ghadi, Vice-Dean (Academics), SBSB

Prof. S. Garg, Vice-Dean (Research), SBSB

##### Seminar Co-ordinator

Dr. Shanti N. Dessai

## Goa University

### Discipline of Zoology, School of Biological Sciences and Biotechnology

The School of Biological Sciences and Biotechnology, Goa University organized a seminar on "*Laboratory Tests in Haematology & Hepatological Disorders*" on 16th September 2025 at 10:30 AM in the Seminar Hall of SBSB. The event was conducted in the physical mode and was attended by M.Sc. Zoology students, PGDCG & MLT students, research scholars, and faculty members of the School. The resource person for the seminar was Dr. R. G. Wiseman Pinto, Professor of Pathology, Former Head of the Department of Pathology, Goa Medical College, and Former Dean of Goa University. Dr. Pinto is an eminent academician and medical expert, currently serving as President of the Asian Society of Cytopathology. He has numerous publications to his credit, has been invited as a Chairman and Faculty in more than 50 countries across five continents and across India, and has made immense contributions as an NMC Assessor/Advisor, National Board Member, and representative of Goa University in NMC meetings. He has also served as a member of the Executive Council, Academic Council, Board of Studies, and Court of Goa University. Furthermore, he has organized several international and national conferences in Goa and serves on the editorial boards of reputed scientific journals.

The objective of the seminar was to provide postgraduate and diploma students, research scholars, and faculty members with advanced knowledge of laboratory tests and their diagnostic relevance in blood and liver disorders. The session was designed to help participants understand the importance of laboratory investigations in clinical medicine, their interpretation, and their role in bridging basic and applied biomedical sciences.

The program began with a welcome address and introduction of the resource person by Dr. Shanti N. Dessai, Seminar Coordinator. In his talk, Dr. Pinto elaborated on key laboratory tests for hematological and hepatological disorders, interpretation of diagnostic parameters, and discussed case studies highlighting their clinical significance. The seminar was structured to engage participants through an interactive session, wherein students and faculty could clarify doubts and connect laboratory results to real-world clinical scenarios.

The event witnessed active participation, with around [insert exact number after attendance compilation] faculty members and [insert number] students in attendance, along with a few external participants. The program was well received and generated stimulating discussions, enhancing the learning experience of the participants. The seminar concluded with a Vote of Thanks proposed by Dr. Avelyno D'Costa, acknowledging the distinguished resource person, dignitaries, faculty members, students, and the organizing committee.

The key outcomes of the seminar included an enriched understanding of laboratory diagnostics, exposure to real clinical cases, and the opportunity to interact with a distinguished expert in pathology. Students benefitted from linking theoretical knowledge to clinical application, while faculty and researchers gained insights into current diagnostic practices and methodologies. The event also encouraged critical thinking, interactive learning, and professional development.

The seminar was coordinated by Dr. Shanti N. Dessai, with guidance and support from Prof. S. Krishnan (Dean, SBSB), Prof. S. C. Ghadi (Vice-Dean, Academics), and Prof. S. Garg (Vice-Dean,

Research), along with the active involvement of faculty colleagues. The organizing committee ensured smooth conduct of the program, which concluded successfully.

The enclosures with this report include the flyer of the seminar, notice of the event, geo-tagged photographs, attendance records of faculty and students, and the biodata of the resource person.

Dr. Shanti N. Dessai <shantidessai@unigoa.ac.in>  
To: Faculty <faculty@unigoa.ac.in>, Internal Quality Assurance Cell <iqac@unigoa.ac.in>, Dean School of Biological Sciences & Biotechnology <dean.sbsb@unigoa.ac.in>, "Dr. Sandeep Garg" <sandeep@unigoa.ac.in>, "Prof. Sanjeev Ghadi" <saga@unigoa.ac.in>

Sir/Madam,

The School of Biological Sciences and Biotechnology, Goa University cordially invites you to attend a seminar on:

**"Laboratory Tests in Haematology & Hepatological Disorders"**

**Guest Speaker:** Dr. R. G. Wiseman Pinto, Former Head, Department of Pathology, Goa Medical College

**Date:** 16th September 2025

**Time:** 10:30 AM

**Venue:** Seminar Hall, SBSB, Goa University

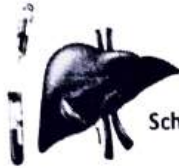

We look forward to your active participation in this enriching session. Flyer of the event is attached herewith for circulation to everyone who is interested to attend the seminar.

Warm regards,

Dr. Shanti N. Dessai
