Report on
Outreach activity - Francophonie Spirit

The Discipline of French and Francophone Studies at Goa University organized an outreach initiative titled "Francophonie Spirit" to celebrate the diversity and shared values of French-speaking cultures. Centered on the 2025 theme, *Je m'éduque, donc j'agis* (Learning for Action), the program emphasized the importance of cultural engagement as a catalyst for informed action. This endeavor was strategically aligned with the National Education Policy (NEP) 2020, focusing on the development of multilingual competencies, the fostering of global awareness, and the promotion of cross-cultural understanding among students in Goa.

In the spirit of this theme, the Discipline organized a two-fold event consisting of a competitive Quiz on Francophonie followed by an orientation session. These sessions were designed to inform the audience about the importance of French language studies at Goa University and the diverse career opportunities associated with multilingualism. The outreach was conducted for higher secondary students across Goa over several days in November 2025 and January 2026, reaching a total of 331 participants.

The initiative commenced on 11 November 2025 at Carmel Higher Secondary School, Nuvem, where 89 students participated in a quiz conducted by Assistant Professors Mr. Anthony Gomes and Ms. Jemima Fernandes. This was followed on 12 November 2025 by a session at Damodar's Higher Secondary School, Margao, involving 26 students and led by Assistant Professors Mrs. Shourya Sinai Kavleker and Ms. Kshama Dharwadkar. On 29 November 2025, the team visited Vasantrao Dempo Higher Secondary School of Science, Commerce & Arts, Cujira, where 122 students engaged in the program under the coordination of Mr. Anthony Gomes and Ms. Kshama Dharwadkar. The final session was held on 6 January 2026 at Green Rosary Higher Secondary School, Miramar, with 94 students participating in a quiz conducted by Ms. Jemima Fernandes and Ms. Kshama Dharwadkar.

This collaborative initiative by the Sheno Goembab School of Languages and Literature and the Directorate of Extra Mural Studies and Extension Services (DEMS&ES) provided significant academic and cultural value. Beyond learning about the literary and cultural aspects of the Francophone world, students were sensitized to the historical and contemporary French links within Goa. The program concluded with a comprehensive orientation on the professional advantages of pursuing French studies at the university level. The event was successfully coordinated and executed by the faculty team comprising Mr. Anthony Gomes, Ms. Kshama Dharwadkar, Mrs. Shourya Sinai Kavleker, and Ms. Jemima Fernandes.
