

Institutional Visit Report of Dapoli Urban Bank Senior College, Dapoli, Maharashtra

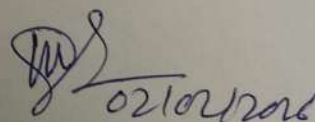

On 29 January 2026, a group of 32 students, accompanied by three faculty members from Dapoli Urban Bank Senior College, Dapoli, Maharashtra, visited the School of Chemical Sciences (SCS) at Goa University in the afternoon. The students were enrolled in the Bachelor's Degree Programme specialising in Chemistry.

Mr Saurav Sattarker coordinated the institutional visit to SCS. Along with him, the committee members, including Dr Amrita Vetrekar, presented the facilities at SCS and the programmes and activities conducted. Most of the research scholars from the chemistry and biochemistry disciplines actively showcased various facilities, including cyclic voltammetry, HPLC, thermogravimetric analysis (TG), CHNS analysis, X-ray diffraction (XRD), nuclear magnetic resonance (NMR), UV-visible photoluminescence, infrared spectroscopy (IR), laminar airflow, cooling centrifuges, and incubator shakers, to the visiting students. Mr Pranav Volvoikar helped capture geotagged images during the visit. Ms Crecia Oliveira and Mrs Ankita Desai coordinated the event, explaining the laboratory facilities available in the MSc lab and other research labs.

The students and accompanying faculty members were highly impressed by the facilities at SCS, Goa University, and expressed their desire to pursue further research and collaborations with its talented faculty.

Feedback/Remark:

We total 32 students & 3 teachers visited to chemistry department of Goa university. First Introduction ~~of~~ about chemistry dept. was given by Saurav Sir. It was very informative and clear.

32 students were divided into two groups. First 16 students were handled by Saurav Sir and remaining students were handled by Pranav Sir.

Many Instruments, Rota evaporator, GC, HPLC Spectrophotometer and many more was explained very effectively.

overall session was very effective.
