

Goa University
VIDYAAPATI PROJECT

Report on

One day State-Level Workshop and Exhibition on ‘Tools and Techniques in Computational Linguistics : Bridging Language, Technology and Careers’ under vidyaapati project

1. Title of the Event/Activity/program	State-Level Workshop and Exhibition on ‘Tools and Techniques in Computational Linguistics : Bridging Language, Technology and Careers’ under vidyaapati project
2. Date and Time	Friday, 3rd October 2025, 9:30 PM and 5:00 PM.
3. Mode of conduct (Physical/Online)	Physical Venue: Government College of Commerce & Economics, Borda, Margao, Goa
4. School/ Directorate/ Section	VIDYAAPATI Project [Hindi-Konkani], Goa University
5. Collaborating Agency/School/Directorate	- Government College of Commerce & Economics, Borda, Margao, Goa - Directorate of Higher Education, Goa
6. Details of the Resource Person	Dr. Sobha L. (Lalitha Devi), Program Director, Computational Linguistics Research Group (CLRG), AU-KBC Research Centre, Anna University, Chennai Prof. Jyoti D. Pawar, P.I, Vidyaapati Project, Goa University Dr. Kavita Asnani, Associate Professor, Directorate of Higher Education
7. Number of Faculty and students attended	67 + 70 students attended the demos of the posters displayed
8. The objectives of the Program/ activity/ event	<ul style="list-style-type: none">• To introduce participants to tools and techniques used in Computational Linguistics and Natural Language Processing (NLP).

	<ul style="list-style-type: none"> • To highlight the role of Indian languages, especially Konkani, in language technology development. • To create awareness about career opportunities at the intersection of language and technology. • To encourage collaborative participation in corpus creation and language resource development.
9. Description of the Program/ activity/ event	<p>The one-day state-level workshop and exhibition brought together students, faculty members, and other academic stakeholders to explore the growing field of Computational Linguistics.</p> <p>The workshop sessions focused on fundamental and applied aspects of NLP, while the exhibition drew significant attention due to its special emphasis on Konkani language technologies. Participants explored various NLP tools, language resources, and ongoing initiatives under the VIDYAAPATI Project. The exhibition also served as a platform for interaction, knowledge exchange, and awareness about language technology research.</p>
10. Benefit/Key outcomes of the Program/activity/event	<ul style="list-style-type: none"> • Enhanced awareness among students and faculty about Computational Linguistics and NLP applications. • Increased interest in Konkani language technology development and resource creation. • Several participants expressed interest in visiting the VIDYAAPATI Lab at Goa University to gain hands-on exposure. • Motivation among participants to engage in future NLP-based academic and research activities under the VIDYAAPATI Project.
