The programme was coordinated by Dr. Sunita Umraskar , with academic support from the faculty members Dr. Hemant Aiya, Dr. Purva Vasta, Mr. Jayesh Gaonkar of the department.
7. Number of Faculty attended/participated	07
8. Number of Student attended / participated	44

<p>9. No. of external students/faculty/other participants</p>	<p>NA</p>
<p>10. The objectives of the Program/activity/event</p>	<p>The objectives of the One-Day Workshop on Infosys Springboard Platform were as follows:</p> <ol style="list-style-type: none"> 1. To introduce students to the Infosys Springboard online learning platform. 2. To create awareness about industry-relevant skill development courses available on the platform. 3. To align higher education practices with the objectives of NEP 2020 emphasizing skill-based and digital learning. 4. To encourage students towards self-learning, lifelong learning, and certification-based education. 5. To enhance students' employability and digital competencies in line with Vision 2030 goals.
<p>11. Description of the Program/activity/event</p>	<p>The One-Day Workshop on Infosys Springboard Platform was successfully organized on 13th January 2026 by the Discipline of Marathi, Shenoji Goenka School of Language & Literature, Goa University, under the Academic Leadership Programme (Batch II).</p> <p>The programme commenced with a welcome address by Dr. Vinay Madgaonkar, Programme Director, who highlighted the importance of digital platforms in contemporary education. The dignitaries were formally welcomed, and the programme was inaugurated through a symbolic mouse click by Prof. Dr. Anuradha Wagle, Dean, Faculty of Languages and Literature.</p> <p>The workshop provided a detailed orientation on the Infosys Springboard Platform, which</p>

	<p>was earlier known as Infosys Wingspan. The platform offers free access to a wide range of courses in technical skills, soft skills, communication, career development, and emerging technologies.</p> <p>Special emphasis was laid on the relevance of the platform in the context of NEP 2020, which advocates multidisciplinary learning, digital education, and skill development. Students were guided through the process of registration, course selection, and certification.</p> <p>As a direct outcome of the workshop, students actively enrolled in multiple courses on the platform. Many students successfully completed various online courses and earned certificates, thereby enhancing their academic profiles and employability skills.</p> <p>The session was interactive and well-received, motivating students to continue using the platform for continuous learning and professional growth.</p>
<p>12. Benefit/Key outcomes of the Program/activity/event</p>	<ol style="list-style-type: none"> 1. Students gained hands-on exposure to a nationally recognized digital learning platform. 2. Several students successfully completed multiple courses and earned industry-recognized certificates. 3. The workshop promoted a culture of self-learning and skill enhancement among students. 4. It strengthened the alignment of departmental activities with NEP 2020 and Vision 2030, focusing on digital literacy and employability. 5. Students became aware of the importance of certifications alongside formal degrees.

	6. The programme contributed significantly to students' academic, professional, and career development.
13. Enclosures with report	<ol style="list-style-type: none">1. Brochure.2. Attendance of students/faculty/external participants.3. Geo-tag photos.4. Photos.
