ANNUAL REPORT

1995 - 96

'A UNIVERSITY STANDS FOR HUMANISM, FOR TOLERANCE, FOR REASON, FOR THE ADVENTURE OF IDEAS AND FOR THE SEARCH OF TRUTH. IT STANDS FOR THE ONWARDS MARCH OF THE HUMAN RACE, TOWARDS EVER HIGHER OBJECTIVES. IF THE UNIVERSITIES DISCHARGE THESE DUTIES ADEQUATELY, THEN IT IS WELL WITH THE NATION AND WITH THE PEOPLE'

- Jawaharlal Nehru

PREFACE

The Eleventh Annual Report of Goa University for the academic year 1995-96 is being presented here in five parts. **Part I** deals with the administration of the University including computerisation of University Functions, Conduct of Examinations, Library and Students' Welfare Activities like sports and cultural, during the period under review. **Part II** deals with the Teaching Departments of the University consisting of 22 Post-graduate Departments and 3 University Centres. **Part III** deals with the affiliated Colleges (both Professional and Non-Professional) affiliated to the University. A list of affiliated Colleges is given in annexure A.4. **Part IV** deals with the Institutions recognized by the University as research centres and institutions of higher education. A list of recognized institutions is given in annexure A.5. **Part V** gives the Financial Statement of the University. It covers the details of the grants received from Government of Goa, University Grants Commission, Government of India Departments and other agencies. In the Annexures names of the members of the Authorities of the University, Deans of Faculties and Officers of the University, Lists of affiliated Colleges and recognised Institutions are given.

Considerable additions have been made during the academic year to the infrastructure of the existing Departments with a view to enhance their potential and achieve excellence. New faculty members have joined the Departments bringing in new ideas. The University went global in its communication system with the installation of V-SAT for E-mail and INTERNET. It is hoped that these new opportunities for learning and research will inspire the students and faculty alike. The large number of seminars, conferences, workshops and lectures by eminent scholars conducted during the year have exposed both faculty and students to new frontiers of knowledge and kept the academic community informed of the latest in their respective fields.

In the Past eleven years, the University has progressed in a commendable way to become accepted as a seat of higher education in the State. Now is the time to reorient and step up its programmes to bring in qualitative changes in education, research, consultancy and other activities, so that the University is able to meet the challenge of development in the State and also become recognized as a leader in higher education in the country. I appreciate the efforts of everyone concerned in the building up of our University so far, and look forward to their active involvement in the coming years as well, to improve its effectiveness and visibility.

I place on record my deepest sense of gratitude to the Visitor for his valuable advice and support, to the Government of Goa and the Government of India for developmental/research/maintenance grants and the various Governing Bodies, Committees, Boards of Studies etc. for their understanding, support and cooperation, to the faculty members and administrative staff for their excellent contributions to the functioning of the University and to the student community for their whole hearted cooperation in the smooth running of the University.

PART I

1.1 GENERAL ADMINISTRATION

Established on 1st June, 1985 as a affiliating-cum teaching Institute of higher learning, Goa University has completed the tenth year of its existence. This University had inherited a solid base of education structure which had been built brick by brick over twenty three years since the days of Goa's liberation, pertaining to every faculty, whether Arts, Science, Commerce, Law, Education, Engineering or Medicine. Due emphasis had been given to technical and professional education, with the result that this state could boast of having a Dental College, an Architecture College, a Medical College, a College of Fine Art, two Colleges of Education, two Law Colleges, five Colleges exclusively for Commerce, five Colleges of Arts & Science and one College exclusively for Women. Upon this solid structure of under-graduate courses was based the Centre of Post-graduate Instruction and Research (CPIR) with quite a few Departments relevant to the needs of the society. The CPIR, which had arrangements for post-graduate teaching and instruction in 13 subjects, formed the nucleus for Goa University.

The University has by now been now fully established. Its first public examinations were held in 1988-89 for the students who were admitted to the first year during the year 1986-87. The term of the first University authorities appointed by the Visitor, in exercise of powers vested in him under the Goa University Act, 1984 expired between June and August, 1988 and all the authorities have since been reconstituted in accordance with the provisions of the Act and the Statutes. So we have now the reconstituted Executive Council, Academic Council, Court, Planning Board, Finance Committee, etc.

The major building work undertaken during the last year namely the Library Building has been fully completed and Library started functioning in the new building. A small Sports pavilion with changing rooms facilities has been completed.

L1.1 COMPUTERISATION OF UNIVERSITY FUNCTIONS

The University has decided to computerise the University Administration in order to improve the Administrative system. As a first step, six P.Cs have been provided to different sections and subsequently all these Pcs have been put under LAN (Local Area Network) by installing a Novel Server (486 DX2) in the Computer Centre. The necessary connectivity has been established to have access to both the Novel server and Unix Server for all the six Pcs users, as the Pcs also act as the nodes.

The old line printer (B 300) which was purchased in 1987, has been replaced by acquiring a new Line Matrix Printer which is fast and prints about 800 Ipm. in draft mode. Besides, it has many other facilities including to print different fonts. This has helped to meet the growing need of the Centre.

The Computer Centre has already initiated training programmes for the administrative staff members including the officers to enable them to operate the computer and to use some of the software packages. The suitable application software to computerise some of the important administrative functions are also being developed.

A new software has been developed to computerise the Engineering Examination System which has been recently implemented for the first time. Similarly, the re-designed Financial Accounting system has been successfully implemented for the year 1995-96.

1.1.2 CONDUCT OF EXAMINATIONS

There were 79 Post-graduate examinations conducted in various faculties of the University during the First and Second Half of 1995-96. The total candidates appeared for these examinations were 1082 and out of these, 710 candidates passed the examinations.

There were 33 Undergraduate examinations held in various faculties during First Half and Second Half of 1995-96. The total number of candidates appeared for these examinations were 8349 and out of these 3707 candidates passed the examinations.

KONKANI ENCYCLOPAEDIA

The University has undertaken a project of preparation of Konkani Encyclopaedia to cater to the needs of the scholars as well as of the common man knowing Konkani, Encyclopaedia information will be classified into various subjects. The Encyclopaedia will contain entries relating to general knowledge but emphasis will be laid on information regarding the Konkani speaking region, its people, History, Geography, Art and Culture, Customs and Manners, etc..

The Encyclopaedia will consist of about 3000 pages in three volumes around 1000 pages each. The source material will be based on information available in English, French, Portuguese, Hindi, Konkani, Marathi, Kannada, etc. and from specialised works. Original articles on local topics that have not been already dealt with in other works, will be written by scholars conversant with subject. Illustrations will be given wherever necessary.

The first volume, containing 1000 entries is already released at the hands of Shri Shivram Karanth, Dnyanpith award winner, Kannada writer and Encyclopaedist. This project will be first of its kind in Konkani and will go a long way in providing valuable information to Konkani readers. The following staff is working on Konkani Encyclopedia volumes.. Dr. T.D. Halarnakar, Executive Editor; 2. Shri Ranjan Naik, Research Assistant; 3. Kum. Surekha Totelcar, Research Assistant; 4. Smt. Kanchan Mordelcar, Editorial Assistant; 5. Kum. Kalpana Kurtarkar, Editorial Assistant.

Dr. T.D. Halarnakar, has been appointed as member of selection Committee for selecting the Konkani publication for Dnyanpith Award, New Delhi. He presented paper "Konkani: Yesterday, Today and Tomorrow" in the first World Konkani Conference, held in Mangalore in December, 1995
