**Following are the Abbreviations for Semester I courses:**

- RA – MAT-500: Real Analysis
- LA – MAT-501: Linear Algebra
- A – MAT-502: Algebra
- IE – MAT-525: -Integral Equations
- CA – MAT-503: Complex Analysis
- (DSE) – Discipline Specific Elective
- (DSC) – Discipline Specific Core

**Following are the Abbreviations for Semester III courses:**

- MM – MAT-600: Mathematical Modeling
- MT – MAT-606: Measure Theory
- P&S – MAT-626: Probability and Statistics
- NT – MAT-602: Number Theory
- G&N – MAT-604: Graphs and Networks
- MFM – MAT-624: Mathematics for Financial Market
- (RSE) – Research Specific Elective
- (GE) – Generic Elective
